Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Departments,
B A N G A L O R E

Sir,

I have the honor to forward for sanction of Government the accompanying estimate amounting to Rs.15,000/- for the maintenance of the Vanivilas Water Works of the Mysore City for the year 1908-09, and to inform you that the provisions under the several sub heads differ somewhat from the last year's maintenance estimate and the necessary explanation for same is given by the Executive Engineer in the report attached thereto. The charge is debitable to the budget of the Mysore City Municipality

2 As usual no provision has been made in the above estimate on account of establishment and tools & plant charges, As I consider that such charge is unnecessary in this case, as if any charge is to be made, it must be for the occasional inspection of the works by the Executive Engineer, but the Comptroller, P W Branch, seems to consider that the charges on account of above should be levied in these cases also in common with others- vide his letter No 7320/p dated 22nd May 1908 to your address If Government concur with the

opinion expressed by that officer, then an additional sum of Rs. 2,700/- may be sanctioned on this account.

I have the honor to be,

Sir,

Your most obedient servant,

for Deputy Chief Engineer of Myso
